

MProSys Tech Solutions Pvt. Ltd.

Your Gateway to Domestic & Global Careers

COMPANY PROFILE

From Local Roots to Global Reach

MProsys Tech Solutions Pvt. Ltd. was established in November 2025 as a subsidiary of MPower Solution, which was founded in October 2015, with a primary focus on recruitment and staffing, and providing other essential HR services.

As clients' needs evolved, we strategically diversified into sourcing white-collar professionals, offering customized recruitment solutions aligned with industry-specific requirements. Building on this strong domestic foundation and extensive industry knowledge, we have now broadened our horizons to international recruitment and manpower sourcing services through a reputed consultancy (RA). Our commitment to quality, ethical practices, and qualitative personalized services positions us as a trusted partner in connecting efficient resources with organizations seeking talent and growth.

About Us

www.mpowersolution.co.in

MproSys Tech Solution Pvt. Ltd. has been incorporated as a dynamic HR Consultancy dedicated to providing reliable and result-driven recruitment and staffing solutions. We specialize in connecting skilled, Semi-Skilled, and unskilled professionals with leading organizations across diverse industries in India.

Additionally, with a strong presence in overseas recruitment, particularly across Middle East countries, we assist clients in sourcing qualified manpower for various sectors, including Construction, Facility Management, oil and gas, Healthcare, Hospitality, IT & ITES, and Engineering & Management. These activities are carried out in collaboration with reputed Recruitment Agencies/Consultancies (RA/Consultancy). Our robust global network and compliance-driven processes ensure smooth, transparent, and timely placements.

MproSys Tech Solutions Pvt. Ltd. takes pride in building long-term partnerships based on trust and performance. Our experienced team works closely with both clients and candidates to deliver value-driven HR solutions that foster growth and success.

Our Vision

Our vision is to become a globally recognized and trusted HR consultancy firm, known for excellence, quality, commitment, ethics, and integrity in recruitment and staffing services. In association with reputed Recruitment Agencies/Consultancies (RA/Consultancy), we strive to bridge the gap between talent and opportunity by leveraging technology, industry expertise, and a personalized approach. By continuously enhancing our processes and expanding our global network through strategic collaborations, we aim to set new benchmarks in domestic and overseas manpower sourcing, thereby contributing significantly to the growth of businesses and careers worldwide.

Our Mission

At MproSys Tech Solutions Pvt. Ltd., our mission is to deliver comprehensive, client-centric HR solutions that empower businesses to build strong, skilled, and motivated workforces. We are committed to sourcing and placing the right talent both domestically and internationally, through transparent and ethical recruitment practices. Our focus is on fostering lasting partnerships by understanding the specific needs of our clients and the aspirations of the candidates, ensuring mutual growth and success.

Our Approach

At MproSys Tech Solution Pvt. Ltd., we believe in building long-term partnerships based on Trust, Commitment, Transparency, and results. Our team of experienced HR professionals ensures that each recruitment process is handled with utmost precision, aligning the right talent with the right opportunity.
